

# ACHIEVEMENT FILE

Office of Community Engagement  
Unit of Community Service

2019-2020

17th September – 18th September 2019  
**Ajman University**

Unit of Community Service collaborated with Liv. (ENBD Bank) and assisted to install their booth at 1st Floor, Student Hub to raise awareness of Liv. Account among the university students in order to save from college days onwards. The engagement of our students was around 45 and from these 25 students open their account with Liv. It's a great initiative towards the young generation to instill the idea of saving and securing their budget. Giveaways were given to the students which were very beneficial like camera cover, name tags and phone holder etc..

# World Literacy Day

18th September 2019  
Al Manar School, Ajman

Unit of Community Service started their academic year with an event named "World Literacy Day". This day was celebrated to raise awareness about importance of education among the children by reading, painting, exercising and playing games of Al Manar School in Al Jurf, Ajman. There were several educational activities and games which engaged the children and their involvement was great success. Our 21 volunteers assisted us to serve for 175 children from the classes of grade 2nd, 3rd and 4th. To appreciate the hard work of the children and to encourage them more to study, Unit of Community Service gifted environmental stationary kits. They enjoyed the event along with fun activities and also learnt at the same time. A very good start to kick off the year ahead

# Volunteering in GITEX - Liv Bank

24th September – 28th September 2019  
Dubai World Trade Center (DWTC)

Unit of Community Service gave opportunity to the students of Ajman University to volunteer in World Trade Center to represent the Liv. Booth during GITEX 2019. Students got a chance to serve hundreds of people and learnt a lot with in few days. The total number of people were engaged in opening the Liv. account we 61 successfully. They learnt customer service skills, built confidence and know more how to deal with people. Tactics of marketing skills are not easy to adopt quickly but our volunteers did. We received very positive feedback from the volunteers and also, they requested to provide such opportunities more often

# International Day of Sign Language

25th September 2019

**Ajman University**

One of the most interesting events of Unit of Community Service, to celebrate the day of International Day of Sign Language with Pomegranate Institute, Dubai. Our 25 students learnt from the people of determination, how to communicate with them in case of emergency if someone needs help. Students learnt numbers, letters and some common phrase of daily life. People of determination were quite happy to see the enthusiasm among our students to learn this language. It was a great experience for our students to learn and experience how does it feel to have a mute life. This made them feel grateful and appreciate everything they own in their life.

# World Animal Day

5th October 2019

**Cloud9 Pet Hotel, Abu Dhabi**

The most awaited event for our 34 volunteers to spend a day with their favorite animal in Cloud9 Pet Hotel, Abu Dhabi. From the last year experience, it has been repeated based on the positive feedback and great demand. This day was celebrated in order to learn how to deal with different kind of animals in their life and also how to act when they are disturbed or hurt. The students loved it and enjoyed the whole day. Students also volunteered in an operation room of animals with VET for their daily checkup. This helped them to understand why is it necessary to have a monthly check up of animals in order to know whether do they have any disease or sickness. Assisting the VET was their favorite part and also feeding the animals as well.

# World Teacher's Day

6th October 2019

**Al Manar School ,Ajman**

World Teacher's Day was the event to appreciate the Teachers of Al Manar School, Al Jurf, Ajman. The aim was to appreciate their hard work and dedication towards the student's life. There were 100 Teachers in Al Manar School, which 14 volunteers gifted them and made them feel special. Without Teachers we wouldn't be successful in our career life. They motivate us and encourage to reach to our goals and they deserve to be appreciated in the society as its one of our core values to attain. Their crucial role in our life must be praised in order to encourage them to continue their effortless duty in our life.

# International Day for Elderly People

7th October 2019

## Senior Citizen Happiness Center, Dubai

Unit of Community Service arranged a visit to Dubai's Senior Citizen Happiness Center to spend some quality time with elderly people of our country. Our 11 volunteers had a wonderful time by listening to their stories and hearing them singing their favorite songs. There were 20 males and 20 females in the center. We prepared some fun games for them to enjoy and relief them from their stressful life. They wanted to continue playing with us and requested to visit them again. Receiving warm welcome from them was beyond our expectation. The aim is not just to serve our community but also making sure our volunteers enjoying the tasks which they are supposed to.

# World Arthritis Day

11th October 2019

**Shangri-La Hotel, Dubai**

World Arthritis Day (WAD) is a global awareness-raising day. Designed to raise and promote awareness of the symptoms connected to rheumatic and musculoskeletal diseases (RMDs) and the importance of gaining early diagnosis and access to care. Movement Mantra collaborated with Ajman University to volunteer and to participate for the World Arthritis day. Our 17 volunteers participated in this awareness campaign and also volunteered for scanning the bone density as this was an interesting experience for the students of biomedical engineering. The participants had a chance to listen to the stories of the patients and also were informed that how movement helps the bone to be flexible. The students enjoyed the Dance & movement, meditation, Physiotherapy session and fitness program at the end of the day.

# Soft Skill's Workshop (Presentation Skills)

15th October 2019

CEC Halls 1 & 2, Student Hub, Ajman University

Soft Skill Workshop was done by the speaker name Mr. Deyaedin Al Sharef, who presented the students of Ajman University how to possess the skill of presenting themselves in class, conference, meeting or any other place etc. The confidence is the main thing in order to master this skill. The students very much benefitted from this workshop. The interactive session between 28 students was fun and they learnt how to be more expressive and clearer.

# CPR Workshop

19th October 2019

**Canadian Nursery, Ajman**

World Heart Day was celebrated by providing CPR workshop to the staff of the Canadian Nursery at Ajman. The 23 employees benefitted from this workshop and were given basic training by Dr. Alaa Al Amri, which is very important in case of emergency for every life. Cardiopulmonary resuscitation (CPR) is an emergency procedure that combines chest compressions often with artificial ventilation in an effort to manually preserve intact brain function until further measures are taken to restore spontaneous blood circulation and breathing in a person who is in cardiac arrest. The staff was very thankful for this initiative done by Office of Community Engagement.

# Awareness Campaign for Breast Cancer

24th October 2019

**Damac Hills Park, Dubai**

The whole month of October is a month of Breast cancer awareness, in which Unit of Community Service collaborated with Pink Caravan to have a "Pink Pride" walk of 5km and also have the awareness campaign by the fighters or survival of Breast Cancer who shared their experience. The 14 students & volunteers of Ajman University walked along the Damac Hills Park to support the ones who fought over their life to survive. Participants were given free clinical examination, some of the participants shared their story of breast cancer journey and how they survived. There was also hair donation to support them. Our aim is to raise awareness among our students to help them those are affected or not by breast cancer through early detection, education and support services.

# Blood Donation

4th November 2019

**J2-Block B, Male Section, Ajman University**

This campaign provides support to the center's surgical patients and people with the genetic blood disease. Ajman University staff and students compassionately participated and donated blood throughout the day. Students stood in queues waiting for their turns-to support patients as well as children with Thalassemia. 68 Students/ staff volunteered in this campaign and it was more than our expected margin. One of another successful projects.

# Pioneer Package from Ajman Free zone

5th-6th November 2019

**1st Floor, Student Hub, Ajman University**

Ajman Free zone introduces Pioneers Package at only AED 5000, their latest venture gives graduates the ability to discover their professional independence. When it comes to business success, location is everything. AFZ's convenient location puts the business in the center of the world's transport network. Taking the business to new heights with their easy leasing plans on well-maintained office spaces that are best suited for business needs. Flexible co-working space is offered for undergraduates, graduates and entrepreneurs who require the freedom to progress their businesses without being locked in to operational overheads. It was a very good opportunity to the students and Alumni of our community which was provided by the Unit of Community Service.

# Seminar on Diabetes & Periodontal

6th November 2019

**CEC Halls 1 & 2, Student Hub, Ajman University**

In the month of November, College of Dentistry collaborated with Office of Community Engagement to have the Seminar on diabetes and Periodontal. Diabetes from Periodontal perspective is a bit different. Diabetic patients are more likely to have periodontal diseases, which in turn can increase the blood sugar and diabetic complications. The guest speaker from Netherland name as Martin Verhulst very beautifully explained to our dental students the process and the complications along with the precautions. There were 60 students who attended the seminar. The students actively participated the quiz at the end of the session to show that they were enthusiastically listening and won the game as well. The winners had prizes to encourage their involvement.

# The Young Thinker's Program

10th November 2019

**CEC Halls 1 & 2, Student Hub, Ajman University**

"This program creates opportunities to activate the untapped potential of Arab youth, providing underserved, high-achieving students with the scholarships, support and skills training that they need to thrive. Imagine a world where our scholars become leaders in their communities and ambassadors of education in the region. We aim to reignite what is already in the region's DNA: a culture of giving back, a connectedness to community, and a spirit of generosity that creates impact. CSU opened the door for the 37 students who are graduated and undergraduate who can't proceed further because of their financial issues. So, Al Ghurair supports such brilliant students who has interest and make them great leaders in future.

The workshop was very beneficial and gave a briefing of the entire program. Students liked the amazing ideas of being challenged by their creative tasks and tests. "The workshop was very beneficial and gave a briefing of the entire program. Students liked the amazing ideas of being challenged by their creative tasks and tests.

# World Diabetes Day

16th November 2019

**Penthouse, Ramada By Wyndham Beach Hotel, Ajman**

World Diabetes Day is the primary global awareness campaign focusing on diabetes. Our aim is to raise awareness of diabetes, its prevention and complications and the care that people need. Although diabetes has no cure but, if people are aware then they can take steps to manage their diabetes and stay fit & healthy. We celebrated "International Round Table Conference - Type 1 Speaks" at Penthouse of Ramada by Wyndham Beach Hotel, Ajman. As Ramada Hotel always collaborate with Ajman University so, in order to raise awareness, we were invited to volunteer and participate with them on the day of World Diabetes Day. Diabetes - Type 1 was their main focus to educate the students. Young children were the guest speaker to share the life challenges and difficulties they had and still facing them. Each person living with diabetes is having a different life. We listened and supported the people whose lives are touched by diabetes and learn from them.

# Maharat Min Google Program

18th November 2019

**CEC Halls 1 & 2, Student Hub, Ajman University**

A rich and exciting Corporate Social Responsibility Program called “Maharat min Google”. (In English, Building Capabilities with Google). This program has been created and launched by Google to address the growing skills gap in the region’s workforce, and to help ensure that opportunities created by technology are available to everyone. Help Arabic speakers, specifically women and young people, get ready for future job opportunities, advance their careers, or grow their businesses. Understand the different ranges of digital marketing skills including search engine marketing, social media, video, ecommerce. How to launch a new business to the online world.

# Volunteering - Relay for life

23rd November 2019

## American University of Sharjah

Office of Community Engagement collaborated with the Pink Caravan to support the cancer patients which was held in American University of Sharjah. Our volunteers assisted the participants, patients and survivors to collect their vests, wrist bands and etc. Shaikha Jawaher Bint Mohammed Al Qasimi, wife of His Highness Dr Shaikh Sultan Bin Mohammad Al Qasimi, Member of the Supreme Council and Ruler of Sharjah and Founder and Royal Patron of Friends of Cancer Patients (FoCP), launched the region's first-ever Relay for Life at the American University of Sharjah, a 24-hour walkathon aimed at generating publicity and funds for the fight against cancer. This 24 - hour walkathon included a silent walk as well only for the cancer patients. there were activities like storytelling session, poetry reading, comedy acts and DJ performances etc. The children enjoyed the bouncing castle, games, art, face - painting and crafts sessions.

# Box Appeal

24th November 2019

## Student Hub, Ajman University

"Box Appeal" a very innovative and unique initiative done by Radisson Hotel Group, who collaborated with Ajman University to make it happen. Office of Community Engagement merrily assisted them and made a huge impact in our society. Its logo says "Small Box, Big Difference", which is true. The small box includes all the hygienic products to raise awareness among the workers and cleaners that in their life taking care of their cleanliness is very important. The appeal aims to give essential items to everyday workers. Our Office received around 135 boxes to be filled by our students or staff. From our office students or staff were asked to collect a box and fill it with essential items of our daily use for example: tooth brush, tooth paste, comb, deodorant, soap & shampoo etc. Students and staff really loved the idea and enjoyed doing this activity, it gave them a feeling of satisfaction and their donation was a prove that Ajman University students and staff really enjoy donating to our society.

# Box Appeal - Distribution

27th November 2019

## Student Hub, Ajman University

After receiving the Boxes, Volunteers wanted to distribute the Appeal Boxes to the workers by themselves. The process didn't end by filling the boxes only, indeed our volunteers wanted to complete the act of kindness and feel satisfactory. This was a very good initiative to engage our local community to give back to the less fortunate. The distribution of "Appeal Box" took place in Gate 5, Za'abeel Park at Dubai. Our 12 volunteers served almost hundreds of workers and made them smile. They were excited to open the boxes and check out the items at the same time. They shared their positive feedback that they really liked it.

# National Festival of Tolerance

9th – 16th November 2019

**Umm Al Emarat Park, Abu Dhabi**

Unit of Community Service Collaborated with Ministry of Tolerance to celebrate "National Festival of Tolerance" which was for one full week in honor of the late Sheikh Zayed, the man of Tolerance. As per the volunteer's comments "Only we were the volunteers from University others were from different company". It shows Ajman University give it's best to provide opportunities to its students all over the UAE. The volunteers were given different tasks to supervise, guide and instruct the children in the park for CPR session, painting, singing & drawing. The children were given free gifts. The timings for the festival were 9am - 2pm at morning. The volunteers learnt team work, managing skills and much more. Meeting famous international level football player was their favorite part.

# AU Tolerance Day

29th November 2019  
**Al Helio Park, Ajman**

Office of Community Engagement collaborated with the Office of Human Resources to encourage and appreciate the hard work of Janitors (Cleaners, Security Guards, etc.) whose daily work has been neglected in our busy life. To appreciate their most needed help Unit of Community Service planned a fun day for the janitors. Their level of excitement was amazingly surprising. There were fun activities for them to get engage for example: Fitness challenge, cooking challenge, entertainment activities & Sportive activities. Also, the support staff were given a memorable gift to cherish. There were 32 volunteers who served around 100 supportive staff. The smile and happiness light up their face and their positive feedback really motivated us to revise this day in future, to make them feel their work matters and without their support, Ajman University wouldn't be achieving success. Office of Community Engagement always focus on social responsibility, excellence and inclusiveness of society. They are very important people of our society and we must appreciate their efforts.

# AU Mobile Dental Clinic

Fall Semester 2019-2020

**Ajman, Sharjah**

Mobile dental clinic aims to provide oral care services to those who have difficulty accessing conventional dental clinics. Mobile dental clinic aims to provide oral care services to those who have difficulty accessing conventional dental clinics or they are not financially able to cover the cost by themselves. So, MDC of Ajman University helps those who are needy and needs this service the most. This fall semester of 2019, Ajman University's Mobile dental Clinic targeted more workers and orphans of the emirates of Ajman & Sharjah. The total visits of MDC within three months were 9 locations of Ajman & Sharjah. The total number of patients were treated from all these locations were 207.

# Donation- Put a smile on a Child's Face

November 2019

**Manar Al Eman Charity School, Ajman**

After moving to the Student Hub building, a lot of office furniture and computers have been remained unused, from that perspective, the office of community engagement- unit of community service has decided to impact on the society by donating with that used furniture and computers to MANAR AL IMAN CHARITY SCHOOL IN AJMAN as an initiative to support the education.

جامعة عجمان  
AJMAN UNIVERSITY

جامعة عجمان  
AJMAN UNIVERSITY

# CPR Workshop - LFGP School

January 2020

**Lycée français international georges Pompidou School, Student Hub, Ajman University**

Unit of Community Service collaborated with Ms. Alaa Alamri to provide a CPR (Cardiopulmonary resuscitation) workshop to the children of Lycée Français International Georges Pompidou. LFIGP is a French international school with campuses in Dubai and Sharjah. There were 36 students from Sharjah branch of grade 5 who attended the workshop. They were accompanied by their teachers and very well-disciplined students of LFIGP School. It was the very first time in history providing CPR Workshop to this young age group, which is very important to aware them at early stage. Ms. Alaa also experienced and enjoyed the interesting question & answer session with the students who were more responsive and enthusiastic to learn more. They practiced on the mannequins and giving them an idea was the most important thing though they can't really help any individual at this age. Unit of Community service aims to raise awareness among all the gender and age group level. Lifesaving awareness sessions are very important and should be encouraged more in our community. It was another successful awareness session that Unit of Community service conducted among children.

# Community Clean up Day

January 2020

**Sheikh Ammar Street, Al Jurf, Ajman**

Unit of Community Service organized a "Community Cleanup Day" for the volunteers to donate their special time to serve our mother earth. The location was in Ajman and volunteers cleared up a space of 10,000 meters. 20 Volunteers filled up 42 trash bags with in few hours, their team work and good effort really made a difference. Volunteers enjoyed picking up the trash and unwanted items in such a favorable weather. This rewarding activity helped our students to get an amazing experience and encouraged them not to litter around. As they realized it's not easy to clean up as we find cleaners and workers doing this task every single day.

# AU Employees Sport Day

February 2020

**Sports Complex, Ajman University**

Office of Community Engagement collaborated with the Office of Human Resource to provide an Employee Sports Day to all the staffs. It's an excellent opportunity for the faculty, staff and senior management to spend some fun and quality time together. In this event many of the staff won medals and showcased their inner talent. This refreshing day was a good boost for a new start.

# Seminar for Cyberbullying & Government Policy

February 2020

**Sheikh Zayed Conference & Exhibition Halls, Ajman University**

Office of Community Engagement & Office of Recruitment collaborated with each other to invite 500 students from 8 different schools of Ajman in order to raise awareness about "Cyberbullying and Government Policy". In this generation, it is very important to aware our children about cyberbullying and government policies that we have in this country. Many of the children suffers from this issue which affects their future life. In order to assist them Ajman University provided a platform to conduct this great event. We had 30 volunteers to assist, who worked very hard to make it happen.

# Walk for Education 2020

February 2020

## Dubai Creek Park, Dubai

Office of Community Engagements' yearly participation & support for the "Walk for Education" is beyond appreciation. There were 23 participants from AU who joined for the walk which started at 9am and finished by 10am. AU students/employees enjoyed their time. This initiative was on Friday February 14, 2020 which welcomed thousands from the UAE community who walked 3 kilometers in solidarity with millions of children who must cover the same distance every day simply to go to school. There was family-focused event attracted individuals from different ages and nationalities who enjoyed the family-friendly and fun-filled activities that included roaming performers, live music, sports and food stalls.

# International Childhood Cancer Day

February 2020

## Al Ain Convention Center, Abu Dhabi

Office of Community Engagement was invited by Twaam Hospital to raise awareness on Pediatric Cancer amongst the community which is the International Childhood Cancer Day. There were 55 AU students who attended the awareness campaign all over from the College of Pharmacy and Science, Dentistry, Medicine and Engineering. The main aim is to encourage parents to be more vigilant of their children's wellbeing and see the warning signs before it's too late. ICCD promotes enhanced appreciation and deeper understanding of problems and difficulties faced by children or teenagers with cancer, the survivors, their families and society. With the theme of year 2020, "Every child should have the chance of life" Tawam Hospital intends to inform health care specialists relating to early indication of childhood cancer, develop public awareness about possible curability of youth cancers and inform the caregivers of childhood cancer patients about the troubles during cancer treatment.

# Super Day with People of Determination

February 2020

**CEC Halls 1 & 2, Student Hub, Ajman University**

Office of Community Engagement invited the People of Determination from Al Wafa School for Capacity Development, which is an affiliate of Sharjah City for Humanitarian Services (SCHS), organized an informative campaign to raise awareness of mental disability at Ajman University. The awareness campaign, was an open invitation to all AU students to volunteer, discuss and share experiences and knowledge about persons with disabilities, their issues, and rights in every area of life. There were 15 volunteers who helped and supported the children of determination. The program included half an hour awareness session and one hour for the activities like cooking, customizing mugs, making jewelry, singing, competition and much more. There were 16 children from al Wafa School and our volunteers were really enthusiastic to work with them and learn from these talented children.

# Al Ghurair - Open Learning Scholars Program

February 2020

**CEC Halls 1 & 2, Student Hub, Ajman University**

On Wednesday, 26th February 2020, Office of Community Engagement & Office of Development and Alumni Affairs has collaborated with Al Ghurair foundation & Arizona State of University to provide an opportunity for AU students and alumni to pursue their masters. This introductory session of "Open Learning Scholars Program" explained in brief about scholarship opportunities, their guidelines and criteria to pursue your master's degree for fall semester of 2020. It's a great opportunity for bright Arab youth who are having financial issues but still looking to pursue their career. There were 16 AU students and alumni who attended the briefing session and planning to submit their application. Students were encouraged to work hard and avail this great opportunity.

# ADIB Financial Educational Awareness Campaign

February 2020

**CEC Halls 1 & 2, Student Hub, Ajman University**

On 27th March 2020, Office of Community Engagement collaborated with Abu Dhabi Islamic Bank to create more financially aware society, by educating AU students on financial management. The interesting session of this financial education program was enjoyed by our students when they were sharing their personal opinion regarding saving techniques. The speaker, Ms. Marwa Al Balushi from ADIB captivated our AU students by sharing her personal experiences regarding saving and investing. And also, advised how saving in this generation has become important as it's not easy at the same time. There were 58 AU students from different colleges to get aware about this important factor in our life. ADIB team prepared an interactive quiz and raffle draw. Where there were 6 winners, who won exciting prices and provided certificates to our students.

# Thanks, Our Heroes

## March 2020

On 29th of March 2020, The Office of Community Engagement, asked from the AU Community to shoot a video from their homes to thank our heroes from the health authorities who are in the front line “Thank you for our heroes in the front line initiative” sharing this message on AU social media
