HELPING HAND WINTER

CAMP 2022-2023

Aim:

The winter camp is organized at the campus as part of AU's vision of community service and lifelong learning for all. The 10-day camp focused on UAE's vision for 2031 and the following United Nations sustainability Development Goals:

- **SDG #3** – Good health and well-being
- **SDG #4** – Quality Education
- **SDG #5** – Gender Equality
- **SDG #9** – Industry, Innovation and Infrastructure
- **SDG #11** – Sustainable Cities and Communities
- **SDG #12** – Responsible Consumption and Production
- **SDG #13** – Climate Action

Purpose:

The purpose of the camp was to:

1. Create awareness among students on Sustainability;
2. Deliver sessions on different courses that can enhance the 21st-century skills among students;
3. Create awareness of community learning goals.

Dates: December 17 – 27, 2022

Timings: The planned hours are 9 am – 2 pm

Venue: Multi-purpose hall, Sheikh Zayed Centre

Nature:

As part of our commitment to the University's Strategic Goal #6, the activity is organized annually during the Winter break.

Organizing Team:

The Office of Community Engagement organized the event in collaboration with colleges and offices/units. Three staff members, along with student volunteers from clubs and community volunteers, collaborated on organizing the program.

Participants:

An open invitation was sent to all our partner schools in UAE to nominate the students for participation. A total of 10-12 students per group were enrolled.

Target Student:

The students were invited in two batches in the age group of 7-9 years (Grade year 2-4) and a second group for the final four school years (Year 09 – 12).

Participation fee:

Participation will be free for all participants as part of our commitment to community service.
